

# Hurd's End of Year Critique, Oct 2010 - Mar 2011

Results are in!! Overall Favorites seem to be Fortuosity, followed closely by Evening Star. Everything else seemed generally well received. No overwhelming desire to get rid of anything! Got several comments to keep Samba, and since we like it, and there is a new one this year, we'll go for that!!! You really sent a mixed message on The Chairman's Waltz, so not sure what to say about that!!!! Anyway thanks for participating and we'll plan our season accordingly!!
